

Adding Fun, Networking and Learning to Meetings & Events Since 1987!

Dear Ed,

Looking for a new and thrilling team program this summer?

For an exciting and unique alternative try our Anchors Aweigh interactive experience! The skillful art of sailing requires leadership, communication and problem solving and is a perfect opportunity to bring your group together to work as a team.

Conducted aboard the Tall Ship Red Witch in Chicago (sailing Tall Ships may also be available in coastal and other Great Lakes cities), your team will participate in a variety of tasks designed to bring out the best in your group. In addition to working together to sail Lake Michigan, teambuilding exercises and discussions are included to help your team carry on the learning long after your sailing adventure has ended!

Anchors Aweigh is a great program for developing:

- Increased Communication
- Leadership
- Teamwork
- Problem Solving Skills
- Self-confidence

The flyer features the Corporate Event Enterprises logo at the top left. The main title 'Anchors Aweigh!' is written in a large, white, cursive font over a background of a blue sky and a white anchor. Below the title, there is a small image of a sailboat. At the bottom of the flyer, there is contact information and a list of services.
