

Adding Fun, Networking and Learning to Meetings & Events Since 1987!

Dear Ed,

Make an impact at your next corporate event or group outing and give your participants an opportunity to give back to the community!

Corporate Event Enterprises offers three great community service programs -

- Santa's Workshop
- Team Woodshop
- Bike Building Bonding and Benefiting

All featuring an unparalleled team experience that energizes participants and fosters business relationships.

We transform your event site into a fully functional workshop where your guests put their ingenuity and production skills to work -- then experience the warmth and joy as items they built are presented to a local children's charity at the program's close!

No matter what the season or event, contact Corporate Event Enterprises to help you create an event with impact at CEE@CorpEvent.com or 312-540-1000.

Sincerely,

Your Corporate Event Enterprises Team
