

Adding Fun, Networking and Learning to Meetings & Events Since 1987!

Dear Ed,

Corporate Event Enterprises is adding to the diversity and quality of our programming with four new, experiential based learning programs presented by one of our skilled facilitators, Kirk Hamsher!

Kirk's philosophy is to provoke participants to "try on" a new behavior or skill set to better understand how it may positively affect their professional and personal lives and their interaction with coworkers, clients and teammates.

Kirk is an excellent addition to our dynamic team of event staff, emcees and facilitators!

Take a moment and click on the image to the right to learn more about these exciting programs with a focus on Innovation, Team Relationships, Risk Taking and Sales Techniques.

As always, we enjoy working with you to provide an energetic activity that will drive individuals and teams to creatively learn, personally network and value fun.

We look forward to hearing from you (312-540-1000, CEE@CorpEvent.com)!

Also, mark you calenders for our 5th Annual Santa's Workshop Open House on the evening of November 6, 2007 at the Union League Club in Chicago. It is a great opportunity to have fun, network with colleagues, learn about one of our most popular programs and build toys for The Union League Boys & Girls Clubs!

Sincerely,

Your Corporate Event Enterprises Team
