

Maximizing Fun, Interaction and Learning at Meetings and Events since 1987!

Dear Ed,

The most memorable events offer great networking opportunities and a chance for people to interact and have fun. This is our core belief and we can help make it a reality for your next event with one of our exciting, reception style networking activities!

Try your luck at your company's very own Casino Night, build items for a local children's charity with our Team Woodshop or test your skills at Bayou Bowling and Jester Toss at the Rajin' Cajun Jamboree.

Whichever theme or activity you choose we guarantee that participants will be actively engaged and having fun!

For more information on how you can enhance interaction at your events, please contact us at cee@corpevent.com, or call us at 312-540-1000.

We look forward to working with you on your next event!

Sincerely,

Your Corporate Event Team
