

## *Innovative Team and Networking Experiences for Corporate Meetings and Events*

Dear Ed,

Let Corporate Event Interactive add "zing" to your next small group meeting or outing by incorporating an energetic 90-minute team activity to your agenda! Choose from a dozen time-tested programs for small corporate events that educate, entertain, energize and enhance relationship bonding opportunities. Did we mention they are a lot of fun as well?

Examples of *small groups* -> *BIG EXPERIENCES* programs are listed below and range from our **Improv Workshop** concentrating on team communications to **Team Brainium: Unplugged**

an interactive game show that includes tests of knowledge, interactive challenges and visual puzzles. Each of our *small groups* -> *BIG EXPERIENCES* programs include a lead emcee or facilitator, event staff and all equipment and supplies required to add impact to your small group experience!

- **So You Think You Know...** - A fast paced question and answer style game show that can be customized to your meeting topic, learning points or host city.
- **Green Teams** - Highlighting environmental issues through active participation and discussion.
- **Circus Antics** - Participants learn "simple" balancing and juggling skills that they never thought they could!
- **Catch The Beat, Music Trivia** - A fun, Name That Tune style activity for groups that think they know music!
- **Adventure Hunt** - Participants locate and photograph uniquely fun "stuff" in and around their meeting site.
- **Brown Bag Skits** - Participants present their ideas while incorporating your meeting message through theatrical expression.
- **Focused Learning** - Teams tackle vital business topics such as risk taking, innovation and customer relations in a dynamic experiential learning session.
- **Tower Building Challenge** - Teams competitively build and promote the tallest free-standing tower made from assorted craft and office supplies.
- **Pressing for Success** - Capture your team's synergy as they make fantastic apple cider!
- **Mini-Olympics** - spirited competition featuring a variety of unique team challenges.
- **Improv Workshop** - Teams flex their work and personal communication skills through improvisational challenges led by our skilled communications professional.
- **Team Brainium: Unplugged** - An interactive game show featuring mental, physical and visual challenges.

So get your team into the game and set them up with a Corporate Event Interactive *small groups* -> *BIG EXPERIENCES* program and experience the energy and excitement first hand!
