

Innovative Team and Networking Experiences for Corporate Meetings and Events

Dear Ed,

Spread some Holiday Cheer and enjoy a meaningful Holiday Event with your group/team and one of Corporate Event Interactive's [Socially Responsible Holiday Events](#).

Share the Holidays with Local Boys and Girls -

Bring your group's holiday spirit, decorations, activities and treats to boys and girls at an after school club. The fun begins when your group interacts with the kids while decorating cookies, designing cards, playing games and relishing the holiday spirit!

Assemble Gifts for the Troops - Show our soldiers that we appreciate their service. We provide supplies they need/want and your group designs and fills heartfelt packages to send overseas.

Share Holiday Spirit with Our Troop's Families - Bring a party and holiday cheer to kids and families with a parent in the armed forces. Play holiday-themed games or make cards and special decorations to send to their loved one.

Share Holiday Spirit with Seniors - Host/serve lunch and interact with local seniors. Bring on the fun and games and storytelling with older adults who very much appreciate and need the attention. Wii bowling tournaments, trivia and card game included!

Build Bikes for Tikes - In a friendly competition, your group works in teams to build and accessorize youth bicycles to donate to a local children's charity. Make your event truly special when the kids arrive to accept their new wheels!

Bright Horizons - Gather your group to paint a large mural for a hospital or senior center to brighten up the day for residents at that facility!

Toy Building Workshop - Bring on the spirit of helping others in need! Your group assembles and decorates toys for a local children's charity. Your event is capped off when, unbeknownst to participants select children from the charity arrive to receive their newly created toys!
