

Adding Fun, Networking and Learning to Meetings & Events Since 1987!

Dear Ed,

Summer is upon us and here at Corporate Event Enterprises we are busy developing and fine-tuning new and exciting programs for your team events, group outings and client receptions! As we keep you abreast of new product offerings to help make your events distinct and memorable it is often a challenge to determine which of our 80+ interactive and team programs we should highlight.

After some internal debating and arm wrestling, we decided that for June we would each select one program to present to you. So your bonus is if you select any of the following programs in the next 30 days you will receive a 10% discount on our standard program price!

Travis, our detailed and computer savvy event producer would like everyone to know that we manage [Corporate Fun Runs](#), complete with registration, timing, course layout and staffing.

Jodi, our talented and creative production manager, points out that every group should participate in [Robotic Engineering: An Adventure Hunt and Amazing Challenge](#), a recently developed team networking challenge where teams solve riddle and puzzle clues to earn building parts to build and race their robotic creations.

Linda, our president and event manager, wants everyone to know that Corporate Event Enterprises offers over a dozen exciting adventure hunts including [The Great Race](#) which challenges teams not only to solve clues but also complete creative challenges that participants best describe as being "a blast!"

And finally Ed, our founder and spiritual leader, thought everyone should know that [Mission Possible](#), a spy themed team challenge thriller with audio-taped assignments and secret agent maneuvers, is an ideal activity to engage participants during an upcoming sales meetings or corporate retreat.

So please help us! Take a look at the four program ideas above and determine which one works best for your group. "Employee of the Month" honors are at stake at our office and the energy level at your next meeting or event is at stake in yours. So contact Travis, Jodi, Linda or Ed at 312-540-1000 or cee@corpevent.com and see how we can work together to make it a great and productive summer for everyone!

Sincerely,

Your Corporate Event Enterprises Team
